To,
Samim Reza

Address: Dhaka, Bangladesh.

Subject: Appointment for Robotics Engineer (Internship)

Dear Samim Reza,

We are pleased to inform you that you have been selected for the position of **Robotics Engineer Intern** at Robo Tech Valley. We were impressed with your passion for robotics and your technical background, and we believe you will be a valuable addition to our team.

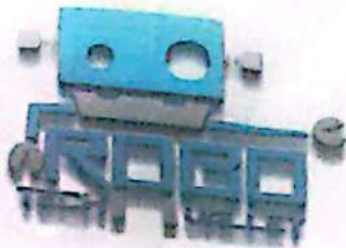

Internship Details:

- **Position:** Robotics Engineer Intern
- **Internship Type:** Paid Internship
- **Duration:** 3 Months
- **Working Days:** 5 days a week
- **Stipend:** BDT 7,000 to 10,000 per month *(Based on your performance and contribution)*
- **Reporting To:** Robotics Project Supervisor
- **Location:** Robo Tech Valley, Level 4, House 26/1, Rupnagar R/A, Mirpur 2, Dhaka 1216

Your Responsibilities Will Include:

- Assisting in the design, development, and testing of robotic systems
- Collaborating with the embedded systems and mechanical teams
- Working on microcontroller-based projects (Arduino, ESP32, STM32, etc.)
- Participating in internal workshops and team meetings
- Documenting project progress and technical reports

Confidentiality Commitment:

As a **Robotics Engineer Intern**, you may have access to confidential information related to our projects, clients, and intellectual property. By accepting this internship, you agree to:

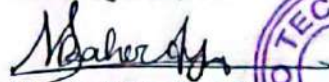

1. **Maintain the confidentiality of all proprietary and sensitive information during and after the internship.**
2. **Not disclose, share, or use any internal documentation, designs, code, or research materials outside the scope of assigned tasks or without written permission.**
3. **Return or delete all confidential materials in your possession upon the completion or termination of your internship.**

Any breach of confidentiality will be considered a serious violation and may result in termination of the internship or legal action, if necessary.

Please sign and return a copy of this letter to confirm your acceptance of the internship position.

We are excited to welcome you aboard and look forward to working with you on innovative robotics projects.

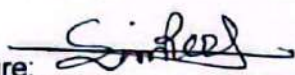

Best regards,

Nazibul Basher Ayon
